

ZW500T

Brighter for longer – 30,000 hours full brightness mode

- Bright WXGA laser projector 5000 lumens
- 30,000 hours maintenance-free laser light source at full brightness mode
- Dust resistant independently tested, IP5X certification for total reliability
- Versatile orientation including 360° projection

The ZW500T professional laser projector offers 5,000 lumens brightness with WXGA (1280 \times 800) resolution. The Advanced optical components, a lightweight chassis and IP5X-certified dust resistant optical engine are just some features on this affordable projector.
