120" diagonal 4:3 electric screen

---

- **120" diagonal 4:3 electric screen**
- **Aluminium casing**
- **Wall and ceiling mountable with sliding brackets**
- **Integrated control system**

A premium easy to operate electric motorised screen that can be controlled via the IR remote or automatically by the 12V trigger or RS232. That comes in an elegant white curved aluminium casing.

Supplied with floating "L" brackets, it can be easily mounted directly to a wall or ceiling. Great for business and education use where a blank wall is unavailable or not flat.

It also has the ability to be suspended from the ceiling. Great for rooms with high ceilings such as churches.
